

Dosti (*friendship*) is a social support group for South Asian men who identify as gay or bisexual, questioning their sexuality or a guy who likes guys.

Run by Trade's very own South Asian Support Worker, the group provides a safe and open space for men to chat about common issues and get involved in group activities, including:

- Health & wellbeing workshops
- Day trips
- Movie nights
- And more...

For more information, call Trade on <u>0116 254 1747</u> or email <u>makinder@tradesexualhealth.com</u>
